

WE'RE CREATING A PAW-SOME EXPERIENCE

Exciting changes are coming soon!

Important Construction Update

Dear Valued Mellett Animal Hospital Clients,

We're writing to inform you about an important change coming to Mellett Animal Hospital starting Wednesday, September 4th. Due to the exciting construction within our facility, we will be temporarily transitioning to curbside service for medical appointments.

What to expect:

Due to construction, when you arrive, please park in our back parking lot. You'll notice signage instructing you to call (330) 477-3491. Upon calling, our team will promptly come to your vehicle to assist with retrieving your pet for their appointment.

Please be advised: If your pet has a grooming appointment or if you are here for a prescription pick-up, kindly use the front entrance as usual. During our renovations, please allow 48 hours for prescription processing.

We understand that this adjustment may be unexpected, and we sincerely appreciate your patience and understanding during this time. Rest assured, this curbside service is temporary, and we are committed to providing the same level of exceptional care you've come to expect from us.

We are looking forward to sharing more details about our exciting renovation in the upcoming weeks!

Thank you for entrusting us with the care of your furry companions. If you have any questions or concerns, please don't hesitate to reach out to us.

Kind regards,

Mellett Animal Hospital
